- **Brandner Suite**

Imagine your weekend getaway in the Brandner Suite... soaking in the double Jacuzzi while you're enjoying the crackling fireplace, chilled champagne and chocolate dipped strawberries! Check out our romantic getaway packages to make your weekend even more special!

The Brandner Suite is decorated like an English Country Cottage. It is done in dark blue carpeting and whitewashed walls stenciled with brick and ivy.

Your weekend getaway in a Lake Geneva suite begins with a romantic double Jacuzzi located in the sitting room with a fieldstone surround. A three tiered fountain is built into the stone at the end of the Jacuzzi.

Our Lake Geneva weekend getaway Jacuzzi suite features a romantic canopied bed.

Inside the canopy, white miniature lights meandering amongst white silk wisteria blooms create a magical spell. The quilt on the bed is done in blues, creams and yellows.

The fieldstone fireplace is in the wall that separates the bedroom from the sitting room so it can be enjoyed from both rooms on your weekend getaway!

The sitting room has a dining table for two and a daybed with lots of pillows overlooking our English perennial garden.

What could be more perfect than a weekend getaway in a Lake Geneva Jacuzzi Suite...our Brandner Suite at Lazy Cloud!
